Okemos, MI 48866

Consumers Energy Business Energy Efficiency Program wants to honor and recognize your latest and greatest project, through our 2017 Project of the Year. Any project big or small, we want you to apply.

Winners will be chosen in the following categories:

- Small Commercial
- Large Commercial
- Industrial

If you are not sure which category best fits your business please contact your Consumers Energy Trade Ally.

You must have one lead with whom Consumers Energy will communicate regarding the nomination.

They could be:

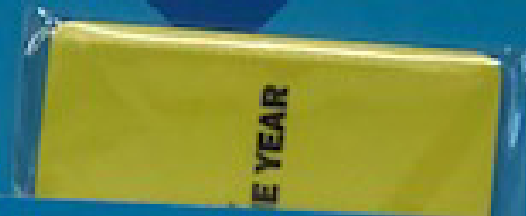

- Employee of Consumers Energy and/or its affiliates, or a contracted employee
- Installing Trade Ally and/or equipment supplier
- Employee of the end use company/Consumers Energy customer
- Member of the project design team (architect/engineer)
